

7/20 meeting approved

Location: Jericho Town Hall

Attendees: William Bresee, Chris Corbin, Frank Fisler, Chuck Lacy, Matt Thomson. Present from the public: Roy Spiller

Proceedings began at 7:05 PM

1. There were no items raised by the public.
2. Each member of the task force introduced themselves, discussing their backgrounds and what they believed they could contribute to the task force.
3. Chris Corbin presented background information on general fire department operations, including the dispatch system in Vermont, key tasks for any incident response, training requirements for fire departments, and consensus-based standards such as the NFPA (101, 1500, 1710, 1720, etc.) to which fire departments conform.
4. Due to time constraints and the length of item three, there was no detailed discussion of scope.
5. Due to time constraints and the length of item three, there was no detailed discussion of data requirements.
6. Chris Corbin will be sourcing some standards documents accessible to fire professionals. Matt Thomson will reach out to Chief Mat Champlin to discuss his visit with the task force on 8/17. All committee members will review Mr. Champlin's 3/19 presentation to the Selectboard on Vimeo, and Matt Thomson will source the slide presentation so that they may follow along.
7. The initial schedule for meetings is 7/20, 8/17, 9/28, 10/19. An 8/31 meeting is being added to hear from the members of the public who brought forward the motion to establish the Task Force as to their aspirations for this effort. Mr. Thomson will reach out to the parties involved.

The meeting adjourned at 10:05 PM.
